BOOKS+OUTDOOR SKILLS

Our 2-hour youth program brings some of the coolest outdoor skills mentioned in the world's greatest outdoor themed books such as Call of the Wild and Hunger Games to LIFE!

What's Included:

2 hours of jam packed outdoor skills instruction.

This course starts indoors with a basic discussion of a few very popular outdoor themed books and then quickly moves outside to learn Outdoor & Survival Skills Hands-On. We will also be looking at wild resources such as stone tools and bones. Back inside, the program will end with students learning about Fire Tinder and Natural Cordage.

Each student will receive a small kit with survival items to use throughout the program. They can take these home with them

MEET YOUR INSTRUCTOR

Hello! I'm JK Stewart, a local outdoor skills instructor. I look forward to bringing my love for books and outdoor skills to your library soon!
